

PIPELINE PROFESSIONALS' ASSOCIATION OF NIGERIA

*Promoting Knowledge, Professionalism and Efficiency in
the Management of Pipelines in Nigeria*

REF: PLN/HI-002/2025

Dear Sir\Madam

INTRODUCING THE PIPELINE PROFESSIONALS' ASSOCIATION OF NIGERIA

We would like to take this opportunity to introduce to you the Pipeline Professionals' Association of Nigeria (PLAN).

Pipeline Professionals' Association of Nigeria is a not-for-profit professional body that advises and provides useful information to aid the formulation of rules and regulations and strives to ensure that it keeps its members abreast of all that is happening in the Nigerian Oil Sector and the industry at large. PLAN is a not-for-profit Association whose mission is to

- a) *To promote the positive perception and appreciation of the importance of pipelines and create awareness among members of the public on harmful effects of pipeline sabotage.*
- b) *To provide information and professional advice and support on the maintenance of pipelines to government and other agencies.*
- c) *To facilitate the sharing of experiences and best practices among pipeline operators, service providers, regulators and any professional in the pipeline industry.*
- d) *To encourage improvement in design, construction, integrity management, security, reliability, and flow assurance of pipelines.*
- e) *To provide a forum through which training and skill development can be made available.*
- f) *To stimulate and improve local expertise in the pipeline discipline.*

Our membership includes both individual and corporate members, dedicated to Professional excellence within the pipeline industry and society at large. Our member base is broad and dynamic; and spans numerous areas of endeavour not just the Pipeline industry, our members can be found in financial institutions, Insurance firms, NGOs, Universities, Government agencies etc.

Pipeline Professionals' Association of Nigeria frequently organizes events that take into account the Nigerian pipeline situation; such events include courses, short trainings, seminars, technical visits/sessions, conferences and exhibitions (such as the annual NIPITECS Conference) etc that are typical of a professional organization.

Be part of the support of professionalism, knowledge and efficiency in the management of pipelines in Nigeria by joining PLAN. We have a lot of activities coming up soon which we will notify you of in due course.
